**CENTERS**  
FOR BEHAVIORAL HEALTH™

# DLC Virtual Care Center

Centered on behavioral health.  
Onsite and online.

In keeping with our decades-long mission to deliver patient-centered behavioral health and addiction treatment, prevention, intervention, and education, DLC is committed to being a trusted resource even when you can't get to us in person.

**The DLC Virtual Care Center offers children, adults, and families remote access to over 100 of our counselors and clinicians that provide:**

*Virtual counseling*

*Virtual doctor and medical services*

*New patient registration*

**DLCenters.org**

**239-455-8500** (24-hour line)

DAVID LAWRENCE  
**CENTERS**  
FOR BEHAVIORAL HEALTH™

**You're never really alone.**  
There's always someone who  
cares just a click away.

The **DLC Virtual Care Center** is equipped to help with many of the same types of concerns we tend to at our offices, including:

*Depression*

*Anxiety*

*Bipolar disorder*

*Post-traumatic stress disorder*

*Schizophrenia*

*Suicidal thoughts*

*Addiction and substance use*

Online registration is easy, and the privacy of your information is protected.

The **DLC Virtual Care Center** is open to all.
